Rica Mare
Women's clothes and accessories

RicaMare is a fashion brand with its own production, design bureau and a team of professionals. Brand RicaMare specializes in the production of high-quality women's clothes since 2004. In our assortment there are models for all occasions.

The main advantage of casual and elegant dresses from RicaMare is a unique design and original decor, which is very popular among women. Dresses made by our company are renowned for their impeccable style and convenience. Sophisticated cut, modern styles, interesting design solutions, high-quality fabrics and accessories - all this harmoniously combines in each presented model.

Every year we present our new collections at the international exhibitions Central Asia Fashion, Targi Mody Poznan (Poland), Kyiv Fashion (Kiev) and other famous fashion shows.

The goal of our company is to create reliable long-term and mutually beneficial relationships with customers. We pay great attention to the study of customer preferences, conduct sociological research, which undoubtedly gives us the opportunity to produce popular clothing that can compete in the market.

Brand audience

Business, active and confident women, following fashion trends and caring about their own style.

Age category 20+, price segment - "medium +".

Distribution channels

Own retail network - 5 stores in Ukraine;
Online store;
4 partner stores in Kiev, Kropyvnytskyi, Kamenetz-Podolsky and Sumi;
Wholesale in Ukraine, Russia, Kazakhstan, Poland, Belarus.

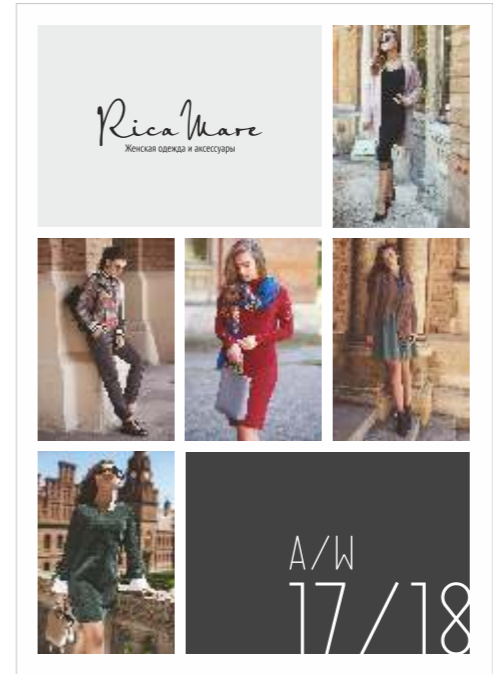

Own production

Our pride is embroidery equipment and equipment for applying author's prints on fabric. These modern technologies and various methods of decoration make it possible to embody the creative ideas of designers and create unique products that attract increased attention of buyers and favorably distinguish RicaMare from its competitors. We use high-tech embroidery equipment TAJIMA (Japan), laser equipment SEIT (Italy) and printed EPSON (Japan).

The advantages of working with us

Prices

Reasonable prices and favorable conditions of cooperation for regular customers (special offers and promotions).

High margin for retail sales.
Markup at retail outlets is 200%.

The current range of casual and elegant dresses from the manufacturer. We form the current range on the basis of actual models and sizes in the network of our own stores.

A wide size range from XS to L, as well as Plus-Size models: XL and XXL.

Our dresses are designed taking into account the peculiarities of Slavic figures and are distinguished by a thoughtful cut.

Exclusivity and quality of clothes. All products are manufactured using high-tech equipment solely on the basis of carefully selected fabrics using expensive fittings. The production introduced a strict quality control products.

Shipping

Uninterrupted availability of goods in stock.

Fast free shipping from our warehouse in Kharkov (Ukraine) and warehouse in Belgorod (Russia).

Cash and cashless payments.

Redemption without size ranges. There is a possibility of additional order (from the warehouse and to the production).

Support

Comprehensive marketing support - optimization of the merchandising system to stimulate trading activities in the stores of customers. We offer an individual approach and assistance in forming the range of the store.

Information and advertising support. Each order is accompanied by RicaMare branded packages and catalogs. For the convenience of our partners, we also offer various design elements for retail outlets (price tags, signs and signs). On request we provide video materials for demonstration in the customer's outlet.

Individual conditions. For regular customers there are special conditions for cooperation - the ability to tailor models to order on an individual request.

Free webinars. We systematically exchange with our customers the valuable knowledge that our company gained through many years of work in the field of the fashion industry.
